

Figure 1: spicy nutmeg

## STAT545-hw01-barton-alistair

### Introduction to Alistair

I'm a math grad student taking this course to learn useful stuff.

Here's a list of some *less* useful stuff I like:

- sports
- philosophy
- food

This summer I spent a month here. To prove it, here's a photo of me on a stylish camel:

**Process:** Edited in browser. Used GitHub Guides and StackOverflow to help. Had trouble including photos, especially resizing them.

Figure 2: spicy thoughts

Figure 3: spicy cumin

Figure 4: Camel
